

NCC

The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

In Kendriya Vidyalaya No1 JRC Bareilly , NCC came in to existence from 2019. and since then it has been functioning vibrantly by producing a number of trained youths; many of these students later became successful in their academic and professional career. At present the Vidyalaya has 50 seats of Junior Division(Boys) / Junior wing (Girls) under 21 UP BN NCC BAREILLY. NCC plays crucial role in nurturing capacity building, personality development, patriotism, and making them socially and politically active citizens. The most noteworthy thing is that NCC encourages the students to pursue jobs in military service. The NCC motivates every youth to do something good for the nation. NCC is a mission.

NCC fosters discipline and unity in this diverse country in pragmatic sense. Cadets with strong will and determination are produced in the country with a mission to inspire the individuals, develop the society and the country through the mechanism of training imparted to them.

Discipline, honesty, modesty and bravery are the four pillars for the cadets. The cadets need to cultivate the four qualities in toto.

Through various training programmes and activities, National Cadet Corps of Kendriya Vidyalaya No1 JRC, transforms the cadets to become active and conscious citizens. It streamlines the cadets to take up challenges of trekking mountains and builds the courage to stand up for the nation whenever they are required to do so.

Many at times, NCC Cadets of Kendriya Vidyalaya No1 JRC brought laurels in the State and National levels. The vidyalaya provides excellent facility and support system for the NCC.
